AED

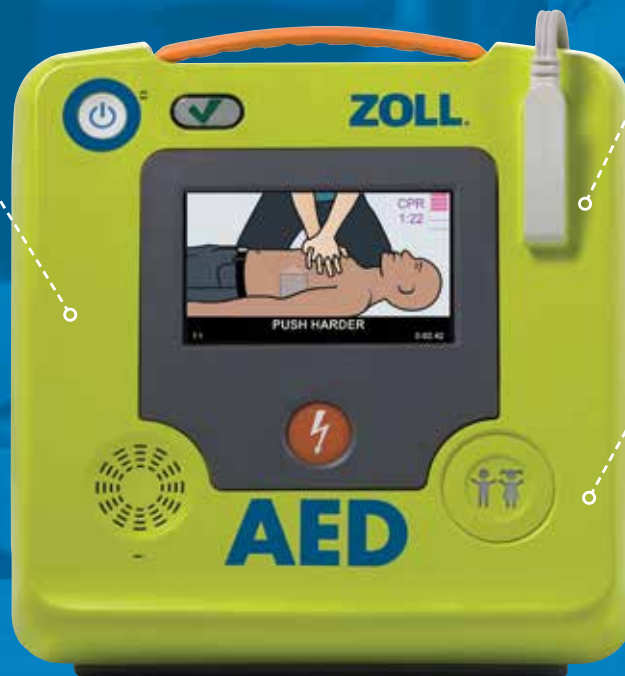

ZOLL AED 3™

Even Better Support for Rescuers

Easy to Use

- Easy-to-interpret full-color images help guide responders through the rescue
- Enhanced bar gauge lets rescuers see when they are doing good CPR in real-time
- Real CPR Help® prompts show and tell rescuers when they are doing good compressions
- Select adult or pediatric rescue with the push of a button
- Dual orientation for maximum visibility — lay flat or stand up

Easy to Own

- Lowest total cost of ownership once installed
- CPR Uni-padz™ can be used on adult or pediatric patients
- Pads and batteries last 5 years

Easy to Maintain

- WiFi connectivity and Program Management Onboard™
- Notifies you after any failed self-test automatically via WiFi
- Provides alerts as the battery nears the end of its useful life
- Eliminates the need for periodic physical maintenance inspections
